JEROME RAMEL
Executive Vice President
Corporate Development and Integrated External Communication
STMicroelectronics

Jerome Ramel is STMicroelectronics' Executive Vice President, Corporate Development and Integrated External Communication, and has held this position since October 2024. His scope of responsibilities includes Corporate Development, Integrated Marketing and Communications, and Investor Relations.

Ramel has been an equity analyst covering the European and US semiconductor sector for 25 years. He started his career in 1999 with KBC Securities, working in Paris and Brussels, before joining IXIS Securities in Paris. In 2006, Ramel joined Exane BNP Paribas and headed its Semiconductor team in Paris, London, New York, and San Francisco as a Managing Director and Partner.

Jerome Ramel was born in Vélizy-Villacoublay, France in 1973. He holds a master's degree in physics from University Pierre et Marie Curie and a master's in finance from ESCP Business School.
