

LORENZO GRANDI
President and Chief Financial Officer
STMicroelectronics

Lorenzo Grandi is STMicroelectronics' President and Chief Financial Officer (CFO) and has held this position since 2018. In addition to Finance, Treasury and M&A, the CFO office currently encompasses Digital Transformation & Information Technology and Global Procurement, Enterprise Risk Management & Resilience, Corporate Development and Integrated External Communication, Supply Chain, as well as Strategic Corporate Programs. Grandi is a Member of ST's Managing Board and Executive Committee.

Grandi joined SGS-THOMSON Microelectronics (now STMicroelectronics) in 1987 as a R&D process engineer. In 1990, he moved to ST's Memory Product Group as Financial Analyst and later was appointed Group Controller contributing to the expansion of ST's flash memory business. In 2005, Grandi joined ST's Corporate Finance organization responsible for Budgeting and Reporting. In 2012, he was promoted to Corporate Vice President in charge of Corporate Control and became ST's Chief Financial Officer in 2018.

In December 2020, Grandi received a special award for his long-standing professional achievements from the French Association of Financial Directors and Management Controllers (DFCG).

Lorenzo Grandi was born in Sondrio, Italy, in 1961. He graduated cum laude in Physics from the University of Modena, Italy, and holds an MBA from SDA Bocconi School of Management in Milan, Italy.
